

Application No. 10/662,950
Supplemental Response to Office Action
Date: August 23, 2006

Attorney Docket No. YO896-0213R5

VIA FACSIMILE TRANSMISSION – Official
To Fax Number 571-273-8300

REMARKS

Applicant is submitting herewith a further passage from incorporated Provisional Application No. 60/495,940 filed 08/18/2003, which passage is found at page 10 of 60/495,940, attorney docket 203117PA, and is deleting the drawing from the text (which drawing appeared at page 4 of the Response to Official Action filed August 23, 2006. A proposed replacement drawing with the deleted figure shown as FIG. 7 is enclosed herewith.

Declaration Re the Material Being Added at Page 12 of the Specification

The undersigned hereby declares that the paragraph added at page 8 for describing new Figure 7 is the same material as found at page 77, line 6 of the incorporated Provisional Patent Application No. 60/495,940, the underlined passage at the beginning of the section of text being added hereby at page 12 of the specification is the same material as the text found in the Provisional Patent Application No. 60/495,940 at page 10, and that the further passages of the section of text being added hereby at page 12 of the specification after the first section of text is the same material as the text found in the Provisional Patent Application No. 60/495,940 at pages 76-78, and that the proposed FIG. 7 to be added to sheet 2 of the drawings is the same figure as found at page 77 of Provisional Patent Application No. 60/495,940, said Provisional Application 60/495,940 having been incorporated by reference at page 15 of the present specification as filed, the tenth line from the bottom of the page to the sixth line from the bottom of the page, (Attorney Docket 203117PA), so that no new matter is being added. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
